(from now on, Program).

7. The students are responsible for obtaining financial resources to cover other costs (that are not included in this Collaborative agreement) related to their program of study.

8. A student who wishes to withdraw from a program outside of the free abandonment period must submit a written request to the General Secretariat of BSM to this effect (either in person on the 3rd floor of the Edificio Balmes or by e-mail to secretaria.general@bsm.upf.edu).

Depending on the exact submission time of a withdrawal request, BSM will withhold an amount specified in the table below from the fees that have already been settled by the student. If the student is enrolled in a program leading to an official degree (an official master's degree), BSM will withhold the above-mentioned amount and under no circumstances will the Foundation make a refund of the tuition fee, given its official character and its subjection to administrative law.

If the amount paid by the student up to the moment of submitting the withdrawal request does not cover the amount to be withheld by the Foundation or the tuition fee (if applicable), the student must pay an amount to be determined by the Foundation to settle the balance. In the event of non-payment, BSM reserves the right to any legal action available to it to this effect.

Period in which the withdrawal request is submitted			
	More than 1 week before commencement	1 week or less before commencement	At commencement or later
Withheld amount (1)	10% of the service fee	25% of the service fee	100% of the service fee

(1) In the case of a program leading to an official diploma (an official master's degree), in addition to the amount withheld as per the above chart, on no account will BSM refund the tuition fee to the student, given its official character and its subjection to administrative law.

A participant who has formally submitted a withdrawal request and who wishes to enroll in the same or another BSM program, will have to start admission proceedings from the beginning and defray the total amount of the enrollment fee.

6. COLFUTURO notifies partner universities immediately regarding the results of the selection process by sending them the list of COLFUTURO beneficiaries admitted to their graduate degree programs.
7. Once students are selected and notified as beneficiaries of COLFUTURO, the latter arranges a meeting with the student to explain in detail, the terms and conditions of the Loan-Scholarship. The student who accepts these terms and conditions, decides the allocation of this Loan-Scholarship taking into account the maximum amounts mentioned in item 1.
